

# Notice about the change of the reservation system on the official website

Kyoto Hotel Okura would like to take this opportunity to thank you for your booking and continued support.

In order to improve our reservation environment, we made some changes in the reservation system.

**System change date : October 15, 2018 (Monday)**

**<To customers who made accommodation reservation on the old system>**

The reservations made before the system change remain valid. There is no necessity to repeat the reservation process.

**- To confirm/cancel your reservation**

The reservations made on the old system can not be confirmed or canceled on the new system.

To confirm or cancel your accommodation reservation, please access the link below.

\* Internet Reservation No. and email address are needed.
